GENERAL MEMORANDUM NO. 248 – 25

To: Secretary of Samoan Affairs, CEOs, Presidents and Executive Directors of Authorities, Directors, Agency and Office Heads

From: Governor of American Samoa

Subject: Appointment of Mr. Jansen Poyer to the American Samoa Power Authority Board of Directors

Pursuant to ASCA 15.0103(b), I am appointing Jansen Poyer to the ASPA Board, effective immediately. As the Fono is out of session, this is a Recess Appointment and will expire at the conclusion of the next Legislative Session. Further, Mr. Poyer's appointment to the Board fills one of the positions required for off-island members.

Jansen has over 17 years of demonstrated engineering experience, to include project planning, engineering leadership and communication proficiency at every level. He holds a Bachelors of Science in Electrical Engineering and a Masters in Engineering Management. Jansen has worked in the aerospace industry for Boeing, as well as for L3 Technologies. Most notably, he is a product of our own Public School system as a Faga'itua High School graduate. I am confident in Jansen's education and experience to carry out the duties and responsibilities of this important appointment.

I urge all of you to extend to him your customary courtesy and support.
