GENERAL MEMORANDUM NO. 165 – 21

To: COVID-19 Task Force
From: Governor of American Samoa
Subject: COVID-19 Task Force Meetings

Participation in the COVID-19 Task Force Meetings has dwindled in the past month. Please be reminded that COVID-19 remains a threat and we are charged with keeping our Territory safe; it is a responsibility we must take seriously.

To ensure maximum participation, meetings have zoom capability to allow members to access remotely. We must forge ahead and continue our work; the risk is far too great to falter now.

I expect active participation to resume and continue for future meetings.
