**Message from the Governor**

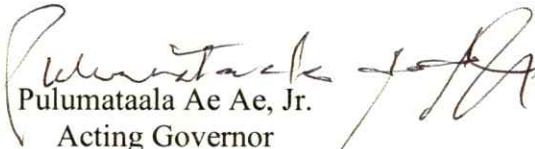

**Father's Day  
June 21, 2026**

A father's love is reflected in his sacrifices, his dedication, and his unwavering commitment to the well-being of his family. Through hard work, guidance, and service, fathers help shape future generations and strengthen the foundation of our homes, communities, and territory.

On this Father's Day, we honor and celebrate the fathers, grandfathers, and father figures throughout American Samoa whose leadership, resilience, and devotion continue to make a lasting impact in the lives of their loved ones. Your efforts, both seen and unseen, are deeply appreciated and serve as an enduring example for future generations.

On behalf of Governor Pulaali'i Nikolao Pula, our families, and the American Samoa Government, I extend our warmest wishes to all fathers across American Samoa. May this day be filled with the love of family, the appreciation of those you serve, and the pride of knowing your sacrifices and contributions are valued.

Happy Father's Day, and may God continue to bless you and your families.
