Ili'ili Golf Course receives generous donations from The Church of Jesus Christ of Latter-Day Saints and Westland Construction.

The Iliili Golf Course is thrilled to announce a generous donation from the Church of Jesus Christ of Latter-Day Saints and Westland Construction in the form of two white elegant marble benches. This donation was delivered by Westland Construction and graciously accepted by Sports Complex Executive Director Louis Solaita on Saturday, February 15, 2025. The benches have since been placed in our scenic course at the 1st and 19th hole, enhancing the experience for our golfers and visitors.

"We are incredibly grateful to the LDS Church and Westland Construction for considering the Iliili Golf Course as one of the recipients for their thoughtful donation." said Executive Director Solaita. "These beautifully crafted benches have quickly become a cherished addition to our facility, offering a serene and comfortable resting spot for our patrons."

We extend our heartfelt gratitude to the Church of Jesus Christ of Latter-Day Saints and Westland Construction for their generous donation to the Iliili Golf Course. Their support has not only enhanced the quality of our facilities but also strengthened our community by providing an exceptional environment for recreation and social engagement. This partnership reflects a shared commitment to fostering growth and well-being in American Samoa, and we are excited to embark on this journey together. Thank you, Lowell Nash, Matthew Vos, Ray David, Andrew Widdicombe and the awesome folks at Westland Construction, for your assistance in coordinating this generous donation.
