

# CORONAVIRUS DISEASE 2022

THREAT LEVEL-CODE RED

Summary-9 (PSA220015)

Data as reported by the American Samoa Department of Health by 8:00 PM on March 4, 2022

## Situational Summary

On March 04, 2022, a total of 559 tests were conducted, among these, 61 tested positive. There were 0 reported hospitalizations or deaths due to COVID-19. Those who test positive are served with a Home Isolation Directive for 14 days. Anyone with COVID-19 must stay away from other people, this may include others in their home.

About 80.4 % of the total population is fully vaccinated. On Thursday, March 3, 1504 doses were administered, of these, 1249 were booster doses.

## Upcoming Events

The Drive-Thru COVID Vaccination Clinic is scheduled for Saturday March 5, 2022 from 8 am - 2 pm at the Tafua Airport. Access to the COVID Vaccination Drive-Thru will be directed by the Department of Public Safety at the Office of Motor Vehicles in Tafua. Anticipate long lines at the Drive-Thru. DOH asks that all residents wear a mask and comply with the directions of vaccine support staff during the entire COVID vaccination process.

COVID-19 tests and vaccines will continue to be available next week March 7- 11. A schedule is forthcoming.
