Easter Message

April 17, 2022

Message from the Governor

Around the world, billions of people will gather to commemorate the resurrection of our Lord and Savior Jesus Christ. While we celebrate this Easter season under restrictions due to the COVID 19 pandemic, this will not deter us from proclaiming that Christ is Risen! The season of Easter will always be a powerful reminder that hope can never be lost.

Through the pain and despair of the Crucifixion, the ultimate sacrifice made by our Lord Jesus Christ was the very embodiment of hope and victory over darkness. As dark and uncertain as the road may seem, I urge our people to remain steadfast; and never forget that God is with us. More than ever, now is the time to be display compassion. The type of kindness that reflects the Goodness of God because his love for us never ceases. As we continue to face these uncertain times, our faith will be tested; however, we must remain hopeful and celebrate the blessings of His infinite grace.

May the promise of Easter fill our lives, our families, our community, and our beloved Territory with new found joy, hope, and gratitude, this season and always.
