**Father's Day  
Message from the Governor  
June 19, 2022**

Father's Day is a celebration honoring fatherhood, paternal bonds, and the influence of fathers. It is a reminder of the many sacrifices and contributions fathers and fatherly figures make in our community every day.

This Father's Day, we celebrate the gift of a father's love and the countless ways fathers have brought purpose and meaning to our lives. We acknowledge these extraordinary men who serve as the protectors and providers of their families.

While being a father is an honor and a responsibility, balancing the demands of work and family is no easy feat. Therefore, we pay tribute to all who take pride and responsibility in helping to raise their children. We honor all the great men who continue to make a positive influence in a child's life. We thank all the fathers and fatherly figures for all they impart: values and character, and the lessons that shape our lives.

I encourage all to take time to recognize a father or fatherly figure who has significantly influenced your life. Let us renew our commitment to honoring these remarkable men throughout the year.

On behalf of Lieutenant Governor Talauega and our families, we wish all the Fathers of American Samoa both here and abroad a Blessed Father's Day!
