Subject: Meeting with NACD and NRCS

There will be a meeting with President Kim LaFleur from the National Association of Conservation Districts (NACD) and Director JB Martin from the Natural Resources Conservation Services (NRCS) on **Thursday June 15 at 9am at the Governor’s Office Conference Room.**

This is a great opportunity to learn and engage NACD and NRCS in discussion about conservation challenges and much needed resources and technical assistance to address conservation in American Samoa.

Thank you for your support and looking forward to your valuable insight.

Loa Tuimavave T. Laupola
Chief of Staff
