Re: ASMSA Annual Medicaid Summit  
Serial # 2026-42

The American Samoa Medicaid State Agency (ASMSA) respectfully reminds all ASG departments of its upcoming 2026 Medicaid Summit, scheduled for March 24–25, 2026, at the American Samoa Community College (ASCC) Multi-Purpose Center (MPC) from 8:00 a.m. to 3:00 p.m.

**Theme:**

*“Strengthening a Health-Resilient American Samoa Through Prevention”  
“Ne’i toe ‘oto lou pulou ua tō uaga.”*

This year’s summit will focus on improving healthcare access, promoting prevention and early intervention, strengthening interagency partnerships, and enhancing Medicaid services in American Samoa. The event will provide an opportunity for participants to engage with the Medicaid team, learn about available programs and resources, and contribute to meaningful discussions on sustainable healthcare solutions for our community.

ASMSA encourages all departments to support this initiative by sharing this information with your staff and identifying representatives to attend. Participation from government partners is essential to strengthening collaboration and advancing health outcomes across the territory.

The summit is free and open to the public. Healthcare providers, policymakers, community leaders, and Medicaid beneficiaries are especially encouraged to attend. Space is limited. Please visit the link <https://tinyurl.com/MedicaidSummit> or scan the QR code to RSVP by March 20, 2026.

For additional information, please contact our office at 699-4777 and ask for Manino Reed or Jeremiah Fale.
