AFFIDAVIT

The undersigned applicant personally appeared before the undersigned notary public and swore or affirmed as follows:

1. I, the undersigned, certify that I am over eighteen (18) years of age and competent to make this affidavit.

2. I understand that American Samoa Government (ASG) requires all arriving travelers to be vaccinated and provide documented proof of vaccination against COVID-19 as a condition of entry.

3. I understand that the ASG has determined:
   a. that the required vaccination is necessary to prevent the spread of COVID-19;
   b. that data evaluated by the U.S. Food and Drug Administration (FDA) as of the date of this affidavit has shown that the required vaccinations are safe and effective, and they have therefore been given full biological license or emergency use authorization by the FDA;
   c. that a person who does not receive the required vaccination is at increased risk of contracting COVID-19; and
   d. that a person who does not receive the required vaccination is at risk of spreading COVID-19 to me, to other travelers, and to other persons.

4. I sincerely affirm that vaccination is contrary to my religious beliefs, and that my objections to this vaccination are not based solely on grounds of personal philosophy, preference, or inconvenience.

5. I understand and accept that, notwithstanding my religious objections, I may be excluded from government facilities, including government housing facilities during an epidemic, pandemic or threatened epidemic or pandemic of any disease preventable by a vaccination required by ASG, and that I may still be required to later receive the vaccination.

I certify that the foregoing is true and correct.
