“Vaccinate to Celebrate, American Samoa!”

Come on out and celebrate with us at the Protect AS One Festival this Saturday evening, August 14, at the Veterans Memorial Stadium from 4 PM to 8 PM! To date, 54.1 % of American Samoa’s total population are now fully vaccinated with COVID-19 vaccines. Our goal is to achieve 80% or higher. If you haven’t gotten your vaccine, please come in and get it today. A reminder to all those who are past due for their second dose, please come in and bring your vaccination card. Parents remember your children 12 years and older are now eligible for COVID vaccines.

The COVID-19 vaccination site at **EOB will be open Monday to Friday, this week!** Here are opening hours for each COVID-19 vaccination clinic:

Clinic	Days	Time
EOB	Monday to Thursday	8:00am - 3:00pm
	Friday	8:00am - 12:00pm
Tafuna Prenatal Clinic	Mon & Wed	8:00am - 3:00pm
	Friday	8:00am - 12:00pm
Other DOH Clinics Amouli, Leone and Fagaalu Well Baby	Friday Only	8:00am - 12:00pm
Veteran’s Memorial Stadium, Tafuna	Saturday	4:00pm-8:00pm

For those who need transportation, look out for the free vaccination buses, with COVID-19 banners displayed on them.

Parents must be physically present to sign the consent form for their children ages 12 -17 years. A legal guardian must show proof of their guardianship or a power of attorney authorizing the consenting adult before they can sign a consent form. Please be informed, the DOH will not administer any vaccines to children ages 12-17 years if proper documentation is not provided. Also bring a photo ID, immunization card and/or hospital card to any of the vaccination sites.

Back-to-School Immunization Clinics:

All DOH Well Child Clinics are open this week for Back-To-School vaccination updates during regular working hours:

Tafuna - **Monday to Friday.**

Amouli, Leone and Fagaalu - **Monday to Thursday.**

Please bring your school-age children to update their immunization before school starts, with their immunization cards. No-one will be allowed into the classroom if their shots are not up to date.

As we gear up for schools reopening, please remind your children to practice hand hygiene, social distance from others if sick, wear a mask if needed or stay home until they feel better. Another way to boost your immune system is to stay fit and eat a balanced diet.

Call 2-1-9 for more information and check the American Samoa Department of Health Facebook page for up-to-date vaccination schedules. <https://www.facebook.com/americansamoadoh>

Sincerely,

Vesi Talalelei Fautanu,
Acting Director, Department of Health
