General Description:
Under the direct supervision of the Contracts Manager, the Contracting Assistant performs professional work in coordinating procurement activities, ensuring the efficient acquisition of construction and services at fair prices and maintaining accurate purchase records.

Key Duties and Responsibilities:

- Process purchase requisitions submitted by the American Samoa Government (ASG) departments and agencies
  - Review all incoming purchase requisitions as assigned and check validity and accuracy of backup documentation
  - Verify all required approvals, descriptions and nomenclatures for accuracy of purchase descriptions, scope of work, plans/specifications as well as quantities, unit of issue and delivery time
  - Confer with departments regarding their purchase requirements
  - Communicate directly with vendors to resolve any problems or issues with submitted quotes/estimates
  - Recommend course of action that would result in greatest value
  - Enter all required information in OneSolution to ensure accurate processing of Contract
  - Draft contract agreements and coordinate changes with departments/project owners
  - Distribute copies of fully executed contracts and leases to all stakeholders

- Process invoice payments and modifications to contract and lease agreements
  - Review all incoming invoices, change orders, account changes, and advance payment requests as assigned and check validity and accuracy of backup documentation
  - Verify all required approvals and accuracy of purchase description changes
