**Thanksgiving Day
November 24, 2022
Message from the Governor**

Thanksgiving Season is upon us! It is a time to reflect on the many blessings the Lord has showered upon our Territory and one another. As we contemplate on the significance of this holiday, we continue to be thankful for the support of our people – their fortitude and perseverance through times of adversity is an inspiration. While there is much to celebrate, we are especially thankful for the Lord’s unconditional love, grace and unending providence.

In this season of gratitude, Lieutenant Governor Talauega and I are thankful for our entire community. We are grateful for the opportunity to serve our Territory and we commend all those who help move our Territory forward. We especially thank our first responders and service members who serve the public every day.

As we celebrate Thanksgiving and reflect on the many things for which we are thankful, I encourage you all to come together and express your gratitude for your neighbors, friends, and family who have helped each other over the past year.

On behalf of Lieutenant Governor Talauega and our families, we wish you all both here and abroad a very happy and safe “Thanksgiving Day!”

LEMANU P. S. MAUGA
Governor
