

CORONAVIRUS DISEASE 2022

THREAT LEVEL-CODE RED

Media Release-10 (PSA220016)

Data as reported by the American Samoa Department of Health by 8:00 PM on March 5, 2022

Situational Summary

On March 05, 2022, a total of 174 tests were conducted, of these 14 individuals tested positive. There were 3 reported hospitalizations related to COVID-19. Those who test positive are served with a Home Isolation Directive for 14 days. Anyone with COVID-19 must stay away from other people, this may include others in their home.

About 80.6 % of the total population is fully vaccinated. On Saturday, March 5, about 1567 doses were administered.

Upcoming Events

COVID-19 vaccines will be available from 8 AM - 2 PM, Monday through Friday at Tafuna, DYWA and Leone Catholic Hall. Other fixed sites will be open to the public soon. A schedule for COVID-19 Testing sites is also forthcoming.

ASDOH expresses sincere appreciation to all partners and community members for your patience and support during the COVID-19 response.
