LIEUTENANT GOVERNOR

## DECLARATION OF ONGOING PUBLIC HEALTH EMERGENCY AND STATE OF EMERGENCY

- WHEREAS, the world is facing an ongoing COVID-19 pandemic that has resulted in the deaths of over 400,000 Americans; and
- WHEREAS, the COVID-19 pandemic is a global disaster that poses an imminent threat to the entirety of the Territory of American Samoa; and
- WHEREAS, the transmission of the disease occurs through respiratory droplets, which necessitates preventative measures like social distancing and travel restrictions; and
- WHEREAS, the President of the United States issued a Proclamation on Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak; and
- WHEREAS, the President of the United States has approved a Major Disaster Declaration for American Samoa; and
- WHEREAS, the protective measures taken by the American Samoa Government thus far have prevented the spread of COVID-19 to the Territory, however, the imminent threat remains;

NOW THEREFORE, I, Lemanu P. S. Mauga, Governor of American Samoa, declare an ongoing public health emergency under A.S.C.A. § 13.0301 *et seq.* and a state of emergency under A.S.C.A. § 26.0101 *et seq.* for COVID-19. The Emergency Operations Center shall continue to be activated to coordinate response efforts.

Pursuant to A.S.C.A. §13.0307 and §26.0105, I further declare that:

American Samoa's response will be guided by a color-coded system to meet the changing threat level. The following provides a guideline for escalating measures according to shifting situations. These restrictions will be implemented to the fullest extent possible, but also may be subject to alteration as more information becomes available or a COVID-19 case is confirmed. Code BLUE is currently in effect.

1. **Code Blue:** Restrictions are designed to prevent the spread of COVID-19 to American Samoa. When the Governor declares that the Territory is in Code Blue, the following restrictions will be in force.

- (A) The public is encouraged to practice social distancing including the use of masks when engaging in public activities. Private businesses and organizations as well as government agencies may require social distancing and/or mask use on their premises.
- (B) All entry permits will continue to be suspended until further notice.
- (C) Any person entering the Territory, must:
- (i) Contact the Department of Health at least ten days prior to travel and provide the documents required by the Director of Health.
  - (ii) Provide the Department of Health with proof of two negative COVID-19 tests. One when the traveler first contacts the Department of Health and one within 72 hours of travel.
  - (iii) Disclose if he or she has ever tested positive for COVID-19.
  - (iv) Submit to a quarantine of fifteen days upon arrival in the Territory unless the Director of Health or his designee determines, based on medical evidence, that the person may be released earlier.
  - (v) The Director of Health may modify conditions of the quarantine for workers who are here to assist with the Public Health Emergency.
  - (vi) Participants in repatriation programs may be required to fulfill additional requirements.
  - (vii) The Director of Health may establish policies or promulgate rules to regulate conditions for entry into the Territory. All policies and rules must be approved by the Governor before they take effect.
- (D) Regularly scheduled passenger flights to and from American Samoa are suspended. The Governor or the Lieutenant Governor may authorize flights based on the needs of the Territory. Passengers of any permitted flight must comply with the entry requirements listed above and any additional requirements contained in the Governor or the Lieutenant Governor's written authorization.
- (E) All air crew must contact the Department of Health at least 96 hours prior to travel and provide documents required by the Director of Health. Proof of a negative COVID-19 test at least 72 hours prior to arrival. Agents for cargo flights are responsible for providing that proof to the Department of Health.
- (F) Air crew will not be permitted to exit their aircraft without the prior written approval of the Governor or the Lieutenant Governor.
- (i) Anyone permitted to stay overnight will be subject to quarantine.
  - (ii) The Director of Health may establish policies or promulgate rules to govern personal protective equipment and procedures for loading and unloading people, luggage, and cargo onto or off of aircraft.
- (G) Shipping agents for vessels, including but not limited to fishing and cargo vessels, entering American Samoa must provide the Department of Health documentation

required by International Health Regulations and must provide the Department of Health proof of a negative COVID-19 test for each person on the vessel at least 72 hours prior to arrival.

- (i) No person will be allowed to disembark from any vessel without prior written approval of the Governor or Lieutenant Governor.
- (ii) The Director of Health may establish policies or promulgate rules to govern the health precautions for the entry of vessels into the ports of American Samoa pursuant to his authority in Title 20, Chapter 13 of the American Samoa Code Annotated.

(H) Public gatherings are prohibited between the hours of 12 midnight and 5am.

(I) Public gatherings, including religious worship, are allowed from 5am to 12 midnight. Bingo games for fundraising purposes will continue to remain suspended.

(J) All businesses will only be allowed to operate from 5am to 12 midnight and are encouraged to practice social distancing within their respective places of business. StarKist and its direct documented business affiliates, water production, and oxygen gas production are exempted under Code Blue. Businesses are encouraged to keep their facilities sanitized. Further advisories will be issued from the Governor that may adjust restrictions on businesses as necessary.

(K) All public transportation services operating hours will be from 5am to 12 midnight daily except for buses under contract with StarKist to provide transportation for employees of the canneries. During hours of operation, buses and taxis must institute social distancing practices.

2. **Code Yellow:** In the event that there is a person who heightened threat to COVID-19 on the island or when a person tests positive in the Territory, the Governor may declare that Code Yellow restrictions listed below will be in force:

(A) Social distancing with anyone outside of a person's household is required. Any person in a public place where social distancing is not or cannot be observed, must wear a mask. Every person inside a building that is open to the public must wear a mask.

(B) Families are encouraged to self-quarantine and designate one family member to go to the store.

(C) All employers, public and private, will reduce their staffing at places of employment to the extent possible. Remote work is encouraged.

(D) All businesses will only be allowed to operate from 5am to 6pm.

- (E) All restaurants will be allowed to provide take-out only. Dine-in service is prohibited.
  - (F) Unnecessary travel to affected areas will be limited.
  - (G) All ASG business travel will be suspended.
  - (H) The Hope House, LBJ TMC, and the Tafuna Correctional Facility will be closed for visitation.
  - (I) A Territorial Curfew of 9pm will be imposed.
  - (J) Additional requirements and restrictions will be issued as necessary for the protection of public health.
3. **Code Red:** In the event of community spread of the COVID-19 locally, the Governor may declare that Code Red restrictions listed below will be in force:
- (A) All businesses will only be allowed to operate from 5am to 4pm.
  - (B) All employers, public and private, will designate essential employees who directly perform or support essential services such as those related to public safety; health; utilities; food production, distribution, and sales; sanitation and laundry; port operations; and similarly, essential services. Only those employees who are absolutely essential should work at places of employment.
  - (C) All ASG operations will be suspended except for first responders and essential employees.
  - (D) All air and sea travel will be suspended.
  - (E) Ports of entry will be closed except for military and approved air or sea cargo vessels.
  - (F) All public gatherings will be prohibited.
  - (G) Additional requirements and restrictions will be issued as necessary for the protection of public health.

A.S.C.A. § 13.0215(d)(3) regarding quarantine and isolation is suspended in part. The Director of Health is authorized to quarantine or isolate individuals for fifteen days without notice. Quarantine and isolation for more than fifteen days must be authorized by the High Court of American Samoa. The Director of Health will notify the Attorney General if he believes that a person will need to be quarantined or isolated for more than fourteen days.

Unauthorized entry into quarantine or isolation sites is prohibited. Any person entering quarantine or isolation site without permission from the Department of Health may be quarantined pursuant to A.S.C.A. § 13.0215(c).

Any person who willfully violates the requirements of this declaration may be charged with a violation of A.S.C.A. §§ 13.0323 or 46.4703.

Price gouging is prohibited. This declaration established a “State of Emergency” as the term is used in Title 27, Chapter 9 of the American Samoa Code Annotated. All violations of this provision will be prosecuted vigorously to the full extent of the law. The Attorney General is authorized to request justification from any business deemed to have substantially increased its prices during this Health Emergency period.

Requests for transporting Human Remains to or from American Samoa must be submitted to the Department of Health who will review the request, and then transmit it to the Lieutenant Governor for approval or disapproval.

The requirements of A.S.C.A. §§ 41.0208(a) and 41.0501 are waived to the extent that people entering American Samoa may be transported from the the port facilities at Fagatogo or the Pago Pago International Airport to a designated alternate location before they will be required to prove that they are not subject to exclusion. This waiver only applies to those people who are participating in a government-sponsored repatriation program. For purposes of A.S.C.A. §§ 41.208(a), and 41.0501, the alternate location will be considered a Port of Entry. Additionally, the alternate location shall be considered a secure area for the purposes of A.S.C.A. § 27.1003.

Departments, Agencies, and Offices of the American Samoa Government may promulgate emergency rules in accordance with established law and the Administrative Procedures Act. Emergency rules will be submitted to the Governor prior to promulgation.

The Governor’s Office may be contacted at 633-4116.

The Department of Health may be contacted at [dohcovid19clearance@doh.as](mailto:dohcovid19clearance@doh.as) or 684-633-5871/5872

This declaration will be effective on January 31, 2021 and supersedes the Declaration dated January 3, 2021. It will be in effect for thirty (30) days and will expire on March 1, 2021. Exclusive authority for rendering all final decisions pertaining to the implementation of all prescribed dictates of this Emergency Declaration is vested in the Governor and Lieutenant of the Territory of American Samoa.

Dated: January 30, 2021
