GENERAL MEMORANDUM NO. 195 – 23

To: Secretary of Samoan Affairs, CEOs, Presidents and Executive Directors of Authorities, Directors, Agency and Office Heads

From: Acting Governor of American Samoa

Subject: Adopt-a-School Program - August 21-25, 2023

The Adopt-a-School Initiative has proven to be a successful program that has brought positive changes to our educational institutions. By adopting a school, we not only take responsibility for its upkeep but also become actively engaged in fostering a conducive environment for learning and growth. The Adopt-a-School Clean-up will be held the week of **August 21st-25th, 2023**.

I urge each director to designate time for their respective departments to participate in the clean-up and rehabilitation activities at their adopted schools. This is an opportunity for all of us to come together, work hand in hand with teachers, students, and community members to make a tangible impact.

All ASG authorities, departments, agencies will maintain their previously adopted schools. Attached to this memorandum, is a list of all ASG units and the schools they are responsible for. The Governor and I appreciate your continued support and commitment to the future of our Territory through the education of our children.

Fa'afetai Lava,

TALAUEGA E. V. ALE
