**PUBLIC ANNOUNCEMENT
National Environmental Policy Act (NEPA) 101 Workshop**

The Capital Improvement Projects (CIP) Program in the Office of the Governor is pleased to announce a NEPA 101 Workshop hosted by the Office of Insular Affairs (OIA) and the U.S. Army Corps of Engineers (USACE).

Date: Tuesday, August 18, 2026

Time: 2:00 p.m. – 4:00 p.m.

Location: DYWA Tafuna

This workshop is open to all current and prospective applicants interested in pursuing grant funding through the U.S. Department of the Interior, Office of Insular Affairs. The session will provide valuable information on the federal grant process, with a primary focus on the National Environmental Policy Act (NEPA) requirements that are essential for OIA-funded infrastructure and capital improvement projects. The OIA and USACE representatives will present an overview of the NEPA process and discuss key topics, including:

- Project timelines and environmental review requirements
- Cumulative impacts and environmental considerations
- Authorization to Proceed (ATP) requirements
- The USACE regulatory permitting process

To register for the NEPA 101 Workshop or to learn more about the OIA grant funding process, please contact the Capital Improvement Projects (CIP) Office at cip@go.as.gov or call 633-4121 for more information.
